# THEMATIC ESSAY PREP: NEOLITHIC REVOLUTION

**Directions:** Use this chart to prepare the information you will need to write your thematic essay on the Neolithic Revolution. This essay prep is divided into the **two columns** below. You may use your notes, class materials, and your textbook to put together an outline in the form of **ORDERED BULLET POINTS**. That means you should put the information, as much as possible, in the order of cause and effect, showing how one event led to another. **DO NOT WRITE PARAGRAPHS!** You only need key points for now.

What were the historical circumstances leading up to the Neolithic Revolution? (In other words, what is the background story, what were the CAUSES?)	How did the Neolithic Revolution change the course of history? (In other words, what changes happened because of it, what were the EFFECTS?)
