CULTURAL DEVELOPMENTS IN EAST AND SOUTHEAST ASIA

Directions: Read the appropriate sections of Chapter 12 and answer the following questions.

GEOGRAPHY

Describe the geography of each region, and explain how geography influenced its development.

Korea (383-384)	Japan (387-389)	Southeast Asia (397-398)

CHINESE INFLUENCE

All three regions neighbor China. Describe the way in which China influenced each region, and when.

Korea (384-386)	Japan (389-390)	Southeast Asia (400-401)

RELIGIONS

Describe any and all religious beliefs and traditions of each region, and specifically explain whether they originated in the region or arrived there through cultural diffusion from outside.

Korea (384-385)	Japan (389-395)	Southeast Asia (399-401)

1. Korea is often described as a “cultural bridge” between China and Japan... yet they are separated by water... What do you think is meant by that name? (389)
2. Define **Selective Borrowing**. (390)
3. What is Hangul? (386)
4. What is Kana? (390)
5. How are they similar?
6. Why was Chinese influence greater than Indian influence **ONLY** in Vietnam, and nowhere else in Southeast Asia? (401)
