Directions: Examine the documents as a group and answer the questions.

1. Based on what is shown in this engraving, state one impact the Spanish had on the lives of the native peoples in Mexico.
2. Examine the painting of the Nativity. What does the inclusion of a Native American figure suggest about the practice of Catholicism in Latin America?
3. How does the Day of the Dead show both European and Native American religious influence?
4. According to Bentley and Ziegler, what was one way the Spanish changed the Americas?
5. Look at the two images of the same city, before and after the Spanish. How has the city changed, and what aspect of culture in particular has changed?
6. According to the Casta system of racial purity, which was superior, Peninsulares or Criollos (Creoles)? What is the difference between the two?
