

Charlemagne: Father of Europe

Help Henrietta

Directions: Henrietta has to do a report on Charlemagne for Mr. Miagi's Global class, but she is having a hard time, so she needs YOUR HELP! Read "Charlemagne: Father of Europe," annotate the article, and answer Henrietta's questions. KEEP IN MIND that sometimes, you will find part of an answer earlier in the reading, but find more information on the same topic later in the reading, so do not hesitate to add to answers if you find more information.

1. Ok, first of all, who is Charlemagne?
2. I'm supposed to explain what Charlemagne's goals were as a ruler... What were they?

3. Wait... why do some people think Charlemagne killed his brother? Do you think he did it?
4. WHAT?! What is Charlemagne's problem with the Saxons? What is he doing to them? Does he hate them?
5. Ok, what do you think of Charlemagne, good dad or bad dad?
