BRINGING UP YOUR GRADE

There are a number of ways you can bring up your grade before the end of the marking period. First, you need to find out where the problem is. Log on to PupilPath and check your average in each grade category (Tests/Debates/Essays & Projects/Homework & Classwork). When you notice a low percentage, check the assignments in that category to find out if (1) there any assignments you have missed/failed to turn in, or (2) there are particular assignments with low grades. Now that you know where the problem is, use the chart below to find the solution.

THE LAST DAY TO SUBMIT LATE WORK IS THURSDAY 11/10/16!!!
